

Republic of the Philippines  
 Region IV-A (Calabarzon)  
 PROVINCE OF CAVITE  
 MUNICIPALITY OF GENERAL TRIAS

**OFFICE OF THE SANGGUNIANG BAYAN**

**MUNICIPAL ORDINANCE NO. 13-03**

Author: SB Member Kerby J. Salazar

**AN ORDINANCE ADOPTING THE GENERAL TRIAS SOLID WASTE MANAGEMENT CODE AND PROVIDING PENALTY FOR VIOLATION THEREOF, SUBJECT TO ALL LAWS AND EXISTING LEGAL RULES AND REGULATIONS.**

WHEREAS, R.A. 9003 otherwise known as the Ecological Solid Waste Management Act of 2000, provides that the Policy of the State is to adopt a systematic, comprehensive and ecological solid waste management program which shall ensure the proper segregation, collection, transport, storage, treatment and disposal of garbage and adoption of the best environment practices in solid waste management;

WHEREAS, the Local Government Code of 1991 empowers the local government unit to enact/approve ordinances which shall ensure an efficient and effective system of solid waste and garbage collection and disposal including the prohibition on littering and the placing of throwing of garbage, refuse and other filth and waste;

WHEREAS, the Sangguniang Bayan of General Trias recognizes the need to have a Solid Waste Management Code for the Municipality, providing therein a systematic solid waste management process for household, business establishments and institutions, incorporating thereby waste related ordinances.

NOW THEREFORE, BE IT ENACTED AS IT IS HEREBY ENACTED by the Sangguniang Bayan of General Trias by virtue of the powers vested in it by laws, in session assembled, that:

**CHAPTER 1**  
**General Provisions**

**Section 1. Short Title.** - *This ordinance shall otherwise be known as the Solid Waste Management Code of General Trias.*

**Section 2. Definition of Terms.** - As use in this ordinance, the following terms shall mean:

**BIO-DEGRADABLE**

Any thing that originates from living things whether animal, plant or human, which decomposes and reduced into fine particles by microorganism or enzymes, e.g., paper, wood, fruits, peels, left over, seed fowl innards and the like.

**BULKY WASTE**

Waste that has a large volume by itself, generally materials with a length of more than one meter e.g., refrigerator and other appliances, furniture, large branches of trees.

**COLLECTION**

The gathering/collecting of stored waste, setting them out and hauling them to transfer stations or to other facilities.

sweeping, clean and green activities, and the clearing of typhoon-wrought debris, or, any solid or semi-solid material resulting from human and animal activities that are considered useless, unwanted or hazardous, or any material that becomes waste only when a specific owner ceases to have use for it.

**STORAGE**

Isolation of waste from the environment to prevent health hazard and to facilitate collection.

**TOXIC & HAZARDOUS WASTE**

Waste that is harmful to human beings, plants and animals and the environment, by reason of its quantity, concentration or physical, chemical or infectious characteristics.

**VACANT LOT**

Any lot occupied, idle, abandoned, whether residential, commercial and industrial, not intended for open spaces, parks, playground, road, alleys and the like.

**YARD WASTE**

Refers to wood, small or chipped branches, leaves, grass clipping, garden debris, vegetable residue that is recognizable as part of a plant or vegetable and other materials accumulated by reason of trimming, pruning and weeding of plants and trees.

**CHAPTER 2**

**Solid Waste Management System**

**Section 3. Basic Concepts.**

Basically, any waste should be left in the place of purchase or in the household and no other person or individual in between has the obligation to keep that waste. All stores, establishments and households are required to have suitable trash receptacles to keep one's garbage be kept inside its premises and not on the sidewalk except during scheduled collection time.

**Section 4. Storage of Waste**

4.1 Waste shall be stored only in the place of purchase or in the household. Under no circumstances shall waste be stored in any other place. Waste shall be stored only within the premises of the generator. On collection day, the waste may be placed immediately beside the fence of the owner. The waste shall be packed and tied to prevent scattering and spillage.

4.2 Waste shall be stored and set out for collection in a closed plastic bag or any appropriate container to avoid the entry of insect, pest and vermin, escape of bad odor; and spillage of leachate. Unpacked, improperly packed and spilled garbage shall not be collected. Spilled garbage due to improper packing shall not be collected. The owner shall be responsible in sweeping, cleaning and repacking of the spilled garbage and shall clean the mess caused by it.

4.3 Household toxic and hazardous waste (THW) shall be placed in a separate appropriate container and shall be disposed of in a specific manner in accordance with R.A. 6969. Broken glasses or lamps and other sharp objects shall be securely enclosed in hard cardboard with tie to prevent injury to handlers and rip and tear of bags/container.

**Section 5. Discharge or Set Out of Waste Collection.**

5.1 Waste shall be set out for collection only within the scheduled date and time of collection.

5.2 Household, commercial establishments and institutions shall set out their waste conspicuously only in front of their premises during the designated collection time.

5.3 Bulky waste shall be collected separately or scheduled for special collection.

5.4 No burning of waste shall be allowed at source.

**Section 6. Waste Collection System.**

6.1 Only the authorized garbage collector shall be allowed to handle the waste from the generators.

6.2 Selling, scavenging and sorting or "pag-bubulasi" by the garbage collection crew or other person shall not be allowed at all times. Violation of this rule shall be the cause of outright dismissal of the employee and the contractor shall be held liable for its crew and may cause the suspension or termination of the contract of the contractor with the Municipal Government.

6.3 All garbage collectors, drivers and those involved in the collection of refuse shall be required to wear proper uniforms and identification cards to be prescribed by the LGU. They must possess an up-to-date health certificate issued by the Municipal Health Officer.

6.4 The garbage collector shall empty and return all containers to the designated collection area with care. Paper and other temporary containers shall be collected.

6.5 The garbage collector shall not dent, bent, or otherwise damage or alter the condition of the container.

6.6 Waste collected shall only be transported directly to the prescribed disposal site.

6.7 Junk dealers are not allowed to collect recyclable materials during the scheduled time of collection.

6.8 Scrap buying and selling shall not be allowed during the scheduled collection time.

**CHAPTER 3**

**Segregation/Sorting-out of Solid Waste Refuse into Bio-Degrable (wet) and Non-Bio-Degradable (dry) Waste**

**Section 7.** All owners, lessee, tenants and the like of residential houses, commercial establishments, building and other entities within Gen. Trias are required to separate or sort-out their solid waste, refuse, garbage materials into Bio-Degradable (Nabubulok) and Non-Biodegradable (Hindi Nabubulok) Waste.

**Section 8.** Requirement of segregation for site collection:

**For individual household:**

Sack with separate and appropriate markings of the word "Bio-degradable" or "Nabubulok" and "Non-biodegradable" or "Hindi Nabubulok".

**In case of premises containing six (6) or more residential units:**

In addition to the obligation of individual household, owner/person in charge shall provide a designated area and separate containers for each type of waste.

**For commercial, institutional and industrial establishments:**

Owners/managers/head/person responsible for the operation shall be required to provide a designated area and separate containers for each type of recyclable materials.

Solid waste shall be disposed of in accordance with the procedures provided in Chapter 2 hereof.

**Section 9.** Any person who possesses unsegregated garbage during the time of garbage collection is presumed to be the violator under this chapter.

**CHAPTER 5**

**Maintenance of Clean and Sanitary Frontage and Immediate Surroundings**

**Section 10.** Household owners/caretakers/tenants/establishment owners, manager or any person responsible for the operations of establishment within General Trias are required to maintain their frontage and immediate surrounding clean and sanitary.

In case of the contractor hired by the owner to construct buildings or structures in his/her area, the contractor shall be required to provide receptacles/storage for the construction debris/materials that may accumulate on account of the construction activity, pending its collection and disposal.

**Section 11.** All person covered by this chapter are required to report and coordinate to the Municipal Environment and Natural Resources Office within 24 hours from the time of accumulation of bulky waste or construction/demolition debris in their property, yard or immediate

surroundings and accordingly coordinate with the said office the collection and disposal thereof.

However, in case of self-generated bulky waste or construction/demolition debris, the house owner/caretaker or establishment owner/manager/person responsible for its operations, before generating bulky waste or undergoing construction/demolition activity, shall have prior coordination with the Municipal Environment and Natural Resources Office on the collection and disposal thereof.

**11.1 Fees and Charges**

Fees and charges for special collection and disposal shall be paid by person/persons responsible for the generation of bulky waste at the rate to be determined by the Municipal Environment and Natural Resources Office on a per volume basis.

Section 12. In the same manner, they are also required to coordinate with the Municipal Environment and Natural Resources Office in the event of their trimming, pruning and weeding of plants, trees and grass or accumulation in their immediate surroundings of woods, small or chipped branches, leaves, grass clipping, garden debris and vegetable residue to facilitate its prompt and proper disposal.

**CHAPTER 6**

**Installation of Trash Receptacles on Public Utility Vehicle**

Section 13. All owners/operators/drivers of buses, jeeps and taxis for public use, operating within or traversing through the territorial jurisdiction of General Trias, shall provide trash receptacle in their vehicle as prescribed by the Municipal Environment and Natural Resources Office.

**CHAPTER 7**

**Dumping and Littering of Waste**

Section 14. The dumping, placing, throwing, scattering of waste, refuse or garbage matters, papers, cigarette butts and the like, in any place in the streets or public building or property, including waterways, river banks not otherwise designated as garbage dumping place is hereby prohibited.

**CHAPTER 8**

**Push Cart / Pedicab Registration**

Section 15. All push cart/pedicab owners/operators operating within the Municipality of General Trias in line with recycling business and garbage collection are required to register their pushcart at the Municipal Environment and Natural Resources Office for purposes of monitoring pushcart operations.

Section 16. Pushcart/pedicab used without registration as required in this chapter shall be confiscated and its operator shall be penalized in accordance with the penalty imposed in Section 21 hereof.
